Data source is the EFS Modernization database on 10/30/2020.

For quality assurance purposes, the following rates have been excluded: full time or part time rates above \$60, full time rates less than \$10.00, and part time rates less than \$5.00.

'\*' is displayed when the number of Private Rates Included is less than 4.

75th Percentile is weighted using the provider's capacity and rate.

School Readiness rates selected were chosen from the latest month the provider was reimbursed during FY2019-2020.

School Readiness rates include Quality Performance Incentive Differentials.

Data source is the EFS Modernization database on 10/30/2020.

For quality assurance purposes, the following rates have been excluded: full time or part time rates above \$60, full time rates less than \$10.00, and part time rates less than \$5.00.

\*' is displayed when the number of Private Rates Included is less than 4.

75th Percentile is weighted using the provider's capacity and rate.

School Readiness rates selected were chosen from the latest month the provider was reimbursed during FY2019-2020.

School Readiness rates include Quality Performance Incentive Differentials.

Data source is the EFS Modernization database on 10/30/2020.

For quality assurance purposes, the following rates have been excluded: full time or part time rates above \$60, full time rates less than \$10.00, and part time rates less than \$5.00.

\*' is displayed when the number of Private Rates Included is less than 4.

75th Percentile is weighted using the provider's capacity and rate.

School Readiness rates selected were chosen from the latest month the provider was reimbursed during FY2019-2020.

School Readiness rates include Quality Performance Incentive Differentials.
