10.6 Explain, or attach a copy of your local agency monitoring schedule and protocol.
To assure the accomplishment of program outcomes and grant compliance, the OEO will monitor each Subgrantee a minimum of one time per three program years. Monitoring visits will be scheduled and confirmation letters will be forwarded to the Subgrantee at least one month prior to the scheduled visit.
The OEO may conduct monitoring through a team visit. The team or individuals visiting Subgrantees will prepare a summary of the field visit and monitoring report upon return to the OEO. Subsequently, the monitoring report will be forwarded to the Subgrantee, with a copy to the Chairman of the Board of Directors, and will address any deficiencies identified during the field visit. (Copies of the monitoring report will be forwarded to the entire Board of Directors when there are major issues to be addressed.) Each Subgrantee will have a specific period of time to correct the deficiencies identified, if applicable. Major findings will be tracked by OEO to final resolution. Uncorrected deficiencies may result in contract suspension or possible termination in accordance with established policies.
Monitoring Report Timeline:
Following the exit conference, the CAA has five (5) business days to provide pending information requested by OEO to resolve outstanding monitoring concerns.
Following the exit conference, OEO has twenty-five (25) calendar days to issue a draft report to the CAA.
From the date of receipt, the CAA has ten (10) calendar days to respond to OEO's report.
Finally, OEO has twenty (20) calendar days to issue a final report, including the CAA's rebuttals.
Note: If the deadline falls on a holiday or weekend, the deadline will be extended to the next business day.
(Monitoring schedule attached)
10.7. Describe how you select local agencies for monitoring reviews.
Site Visits:
OEO provides program and fiscal monitoring for each agency, at least once every three program years. Additional monitoring will be imposed by the state if severe deficiencies are identified. As a best practice, OEO makes the effort to monitor annually.
Desk Reviews:
Fiscal monitoring staff perform a desk monitiring of all subgrantees in addition to the on-site monitoring to assist in identifying potential issues, opportunities for training and technical assistance, and areas to focus on during the on-site monitoring. A desk review is also performed on the subgrantees single audit with a management decision issued when required.
10.8. How often is each local agency monitored ?
Each agency is monitored at least once every three (3) program years. As a best practice, OEO makes the effort to monitor annually.

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

Denials: Applicants who assert being unfairly treated, denied assistance and/or services must be informed at the time of application of the reason for denial. Such notification must clearly cite the reason for denial. The applicant has the right to appeal/request an official hearing within 30 days of the date of denial. A Notice of Denial can be issued when: applicant is refused access to services and financial assistance; applicant does not fulfill his/her obligations to program participatory requirements or exceeds the income eligibility requirement; applicant does not provide sufficient information to complete his/her application or has knowingly provided false and/or misleading information; applicant has maxed out his/her eligibility for program assistance during the program year; funds are exhausted; applicant has not met the time restraints on program availability (e.g. between LIHEAP heating and cooling periods).

Levels of Appeal

- Applicants should first file a written appeal with the Community Action Agency in which he/she applied for service(s), requesting a formal hearing within 30 calendar days of the agency's Notice of Denial of Assistance/Services.
- If the appeal is denied at the Community Action Agency, the applicant may file a written appeal to the Office of Economic Opportunity (OEO) within 20 calendar days of the agency's notification of their hearing decision. The written appeal shall be submitted to:

The Department of Administration's Chief Legal Counsel will select a Hearings Officer to conduct the hearing within 30 days of receipt of the letter of appeal, utilizing the informal disposition procedures outlined in S.C. Code §§ 1-23-310 to 1-23-400 of the State Administrative Procedures Act.

The funds or services in question must be obligated (set aside) until a final decision is reached. If the applicant is successful, the funds or services will be provided to the applicant. If the applicant is unsuccessful, funds are to be reverted to Client Assistance and made available to eligible participants.

12.5 When and how are applicants informed of these rights?

An OEO-approved Appeal and Fair Hearing notice must be posted in the lobbies and at intake sites where LIHEAP applications are taken. The State verifies the posting during site visits. In addition to the notice posted at each intake site, the fair hearing notice appears on the statewide application, the customer's commitment voucher, and OEO website.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

Eligible entities are required to make determinations and provide notification of eligibility decisions on applications for nonemergency LIHEAP benefits within 30 business days after the filing of application with all required documents. For emergency LIHEAP assistance, the agency is required to determine eligibility within 18 to 48 hours upon the receipt of all required documents necessary for application. Individuals whose applications are not acted upon within the established timeframes may appeal at the agency and state level.

Code §§ 1-23-310 to 1-23-400 of the State Administrative Procedures Act.

OEO will also provide training and technical assistance to agencies whose applications fail to be processed in a timely manner. OEO verifies applications are processed in a timely manner during monitoring.

12.7 When and how are applicants informed of these rights?

An Appeal and Fair Hearing notice must be posted in the lobbies and at intake sites where LIHEAP applications are taken. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.
